Brightestmove

Superb letting agents, had my properties with Brightestmove Lettings for 3 plus years and I must say the Bridgwater branch have always found suitable tenants, continue the great work Martin & Emily.

Martyn

This has been the first time we have been involved in letting a property. As we do not live locally the help and advice we received from the Bridgwater office has been excellent. They were able to find us suitable tenants in a matter of a few days and also have gone beyond what we would normally expect an estate agent to do. We wouldn't hesitate to recommend their services to others.

Mike and Elizabeth

An extremely, responsive, reliable, friendly service received from the first moment I made the phone call to enquire about the property, they seem to have a very good professional relationship with the landlady and a great rapport with me. Emily at Brightestmove has welcomed me as a tenant and has maintained a high level of support and after care whilst providing me with a hassle-free move. I would definitely recommend Brightestmove.

Thanks guys

Stacey

Brilliant estate agents, so helpful through the whole process and tenancy. Emily and the team are so friendly and always do their best for you. Sad to be changing estate agents. Highly recommended.

I am an accredited licenced Sedgemoor landlord, and have been a landlord for 20 years, with a portfolio over several counties.

Having invested in my first HMO jointly and purchased it through Brightestmove I met Emily and the team 18 months ago. Every interaction was positive, supportive and knowledgeable.

HMO management is specialist, although I've done a course and manage 80% of my standard portfolio I was so impressed with Emily and I accepted her ideas and am very happy with the results. It's not been an easy process, it is not for the faint hearted and my first child was born a year ago.

The house checks and management of arising issues have gone smoothly. I'm still a very hands on landlord and Emily has embraced my own unique approach taking on what I can't do and allowing me to do the maintenance etc.

I can't thank Emily enough plus the team around her are helpful and supportive too.
